Next Steps

1. Hold a public forum to take feedback:
 1. What map(s) do you like best?
 2. What elements do you like or dislike about each map?
 3. Any additional questions?
2. Provide direction to consultant:
 1. Potentially narrow the options to 3-4 “focus” maps
 2. Requests for tests or additional maps?
3. Submit any new maps for the July 11 meeting no later than **July 3** so we have time to draw them in (Happy Independence Day!)
